The *Blessing of Animals* originated in the 13<sup>th</sup> century in remembrance of St. Francis, the patron saint of animals and the environment, who believed that all animals should be treated with dignity and respect. Similar ceremonies are held across the country each October.

The *Blessing of Animals* allows exhibitors to showcase their services, pet owners to show off their beloved companions, and animals to socialize and feel special. The event is sponsored by the Friends of Mission San Luis, Inc, the Mission's citizen support organization, and the site is administered by the Florida Department of State, Division of Historical Resources.

Mission San Luis is *Florida's Apalachee-Spanish Living History Museum*. It was the western capital of Spanish Florida from 1656 to 1704 and is on 63 beautiful acres of north Florida. Today, the 17<sup>th</sup> century is brought to life through living history guides in period dress, exhibits, archaeology, and reconstructed colonial buildings. The site is pet friendly all year round and is located at 2100 West Tennessee Street. Daily hours are 10 A.M. to 4 P.M., Tuesday through Sunday.
